

LIMASSOL MUNICIPALITY OPEN SCHOOL

In September 2009, the Limassol Municipality has introduced the institution of the "Open School", which currently operates on a pilot basis for the residents of St. Nicholas and Neapoli parishes.

The institution of the "Open School" is supported by the Ministry of Education and aims to exploit the infrastructure of public schools by developing a healthy and constructive engagement of citizens, outside school hours. The ultimate goal of the institution is to make schools, sites of active citizenship through programs that will give citizens the opportunity to:

- Enrich their knowledge
- Be informed of topical and important issues
- Express their opinion
- Participate and be active in issues that interest them
